During each session there are six concurrent workshops offered. Most sessions include a workshop focused on early childhood, elementary, secondary, teacher educators, a general session for all educators and a session focused on constructivist pedagogy.

A sampling of workshops:

- The Third Teacher: Creating an Environment that Honors, Serves, and Inspires Children Teaching on the Right Side of Change: Revolutionary Pedagogies Through Culturally Relevant Teaching K-3
- Teacher Thinking and Preschool Ziplines: Enhancing the Science and Engineering Practices within Children's Play
- Creating Spaces for Constructing Empathy and Prosocial Behavior using Holocaust/Shoah Literature for Children and Young Adults
- Flipping the Sit and Get: Promoting Constructivist Learning in the High School Classroom
- There Are No Weeds: A Constructivist View of Restorative Justice
- The Art Room as a Center for Activism: Instillation-based art in school hallways and community settings
- Plus another 35 great workshops!

Pre-Conference School Study Tour, October 25th

After conference hours include a historic walking tour (\$10) and a group dinner out (each diner responsible for their meal).
